

ACEP SCIENTIFIC ASSEMBLY 2009

SATELLITE SYMPOSIA LOCATOR MAP

The **Satellite Symposia Locator Map** gets great visibility as it is distributed in the **Doctor's Bags** to all attendees registered through the ACEP official housing block. Plus this useful easy-to-read map will be located at the on-site registration area, too. This is a pocket-sized, fold-out publication that includes a map of the hotels where the unofficial satellite symposia are being held. Attendees will have easy access to these educational programs by using this handy map that includes event date, time and, of course, location.
